SENATOR CHAMBERS: Mr. Clerk, would you read the first one that you have because I think there are several.

CLERK: Mr. President, Senator Chambers would move to amend: (Read Chambers amendment found on page 1724, Legislative Journal.)

SENATOR CLARK: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, there have been various amounts estimated as to what will come in from this lottery. We have been told that the czar will establish requirements that must be met by whoever receives or obtains a contract to run this lottery so what I want to do, since the state in fact is not going to run the lottery but turn it over to some company, that that company be bonded and I don't know how much the lottery is supposed to bring in so to get some figure into the record I am going to ask Senator Hefner. Senator Hefner, would you answer and give an idea of what they project the lottery might bring in per year, just a rough amount?

SENATOR CLARK: Senator Hefner.

SENATOR HEFNER: Senator Chambers, do you have this amendment printed in the Journal?

SENATOR CHAMBERS: Yes, it would require...

SENATOR HEFNER: What page is it on?

SENATOR CHAMBERS: Mr. Clerk, aren't these in the Journal, these amendments?

CLERK: No, sir, they are not.

SENATOR CHAMBERS: Oh!

SENATOR HEFNER: Do I have a copy on my desk?
